

Burnt is Cleán once again has the amiss audacity to present

A further couple of nights at the Mermáid s Púrsé

October 12-14 2007, Cádihoe, Dévon

Another cornucopía of chaotic calamity, coercing and carressing you into a carnívál of corrupt and contrite chuff. A diabolical débacle of dreadfully deficient and often dangerous, deviant and depraved, dodgy doings. Fluffy(!) with a ferocious façade of fetid filth, filling you with a fever for flawed felonies.

Places are strictly limited. The fee for this journey of cosmic self discovery shall be a inadequate 79 of your filthy lucre to cover food and accommodation in the cottagé, should you require it.

To boldly crew is free and to wilfully splint infinitives is grammatically shameful.

Please contact TheCarl@burntiscléan.co.uk for more information.

On line payments can be made at www.burntiscléan.co.uk and more defamiation and lies can also be found there.
